Physicals need to be turned in to the athletic office before the first day of tryouts. You must have a physical on file before you try out for any sport. The physical must be on the appropriate form, which you can find online at www.khsaa.org. Click on "KHSAA Forms" at the bottom left of the home page. After clicking on "KHSAA Forms" you will be directed to the next page. Select "General Administrative Forms (Physical, Transfer, Contract)". Select "GE04- Combined Parent Permission and Athletic Physical Forms (High School)". The physical document is a four-page document that needs to be completed and turned in. This is a Kentucky High School bylaw. NO EXCEPTIONS MADE.

Everyone needs to attend tryouts on the selected dates. The dates are established well in advance to afford all players time to make proper arrangements to attend and to insure a fair plan for all who tryout. Sacred Heart sports are a priority and a commitment, which begins the first day of tryouts. In order to tryout for any fall sport, your 2021-2022 school tuition deposit must be paid in full.
