Good afternoon KIPP Vision Campus families,

At KIPP Vision Campus the safety of our scholars and stakeholders is of utmost importance. In the Spring our Campus underwent a safety audit in partnership with our regional team, local law enforcement agencies, and community partners. The recommendations and safety mandates provided by these stakeholders have helped us to refine our process to ensure we are creating systems that ensure the safety of our scholars while they are here with us on KIPP Vision Campus. We are excited to roll out our updated systems. We will ask you to give us grace as we navigate these new systems partner with us to uphold these key priorities to ensure the safety of all scholars.

Arrival Time

Monday-Friday KIPP Vision Campus doors open at 7:45 AM-8:15 AM

Designated Arrival Entrances

- Van Riders & Early Care: All van riders and early care scholars will enter the building through the front door
- Walkers: All walkers will enter the building through the carpool loop and enter the building through their designated entrances. For the safety of your scholars, please do not drop your scholars off at Tullwater Park or stop your vehicle on McWilliams Road and allow them to enter the building in front of the school.
- Carpool: All carpool scholars should go through the carpool loop and enter the building through their designated entrances. For the safety of your scholars, please do not drop your scholars off at Tullwater Park or leave them unattended until the carpool doors are open.

Unattended Scholars & Traffic Violations

- Please note that no scholars should be left unattended prior to 7:45 am. Families who leave scholars unattended will receive a verbal warning, and are then subject to receive citations or be referred to our counselors and social workers.
- Our traffic officers will write citations if scholars are dropped off outside of the designated areas.
