

**LEE C. ROGERS, DPM, FFFPM RCPS (GLASG.)**

**DIPLOMATE, AMERICAN BOARD OF PODIATRIC MEDICINE**

**CERTIFICATE OF ADDED QUALIFICATION IN AMPUTATION PREVENTION AND  
WOUND CARE**

**FELLOW, AMERICAN COLLEGE OF PODIATRIC MEDICINE**

[Lee.Rogers@PodiatryBoard.org](mailto:Lee.Rogers@PodiatryBoard.org)

**310-279-6097 (MOBILE)**

**BOARD ADDRESS:**

**1060 AVIATION BLVD, STE 100  
HERMOSA BEACH, CA 90254**

**HOME ADDRESS:**

**1997 VERBANIA DRIVE  
LAS VEGAS, NV 89134**

## **CURRICULUM VITAE**

### **PERSONAL INFORMATION**

<b>Date of Birth:</b>	27 February 1978
<b>Citizenship:</b>	United States of America

### **EDUCATION**

1996-2000	Undergraduate Pre-Med (Exercise Science) Truman State University Kirksville, Missouri
2000-2004	Doctor of Podiatric Medicine (D.P.M.) Des Moines University College Podiatric Medicine and Surgery Des Moines, Iowa

### **POSTGRADUATE TRAINING**

2004-2006	Residency; Podiatric Medicine and Surgery-24 Saint Vincent Catholic Medical Centers New York, New York
2006-2007	Fellowship; Limb Preservation and Research Sponsor: Professor David G. Armstrong, DPM, MD, PhD Center for Lower Extremity Ambulatory Research (CLEAR) Dr. William M. Scholl College of Podiatric Medicine Rosalind Franklin University of Medicine and Science Chicago, IL

### **ACADEMIC APPOINTMENTS**

10/16-Present	Fellow Faculty Royal College of Physicians and Surgeons
---------------	------------------------------------------------------------

---

	Glasgow, Scotland
04/10-Present	Assistant Clinical Professor of Podiatric Medicine and Surgery College of Podiatric Medicine Western University of Health Sciences Pomona, CA
07/12-06/14	Director Postgraduate Fellowship in Limb Salvage Western University of Health Sciences & Sherman Oaks Hospital Sherman Oaks, CA
07/10-06/14	Faculty PM&S 36 Podiatry Residency Cedars-Sinai Medical Center Los Angeles, CA
10/08-10/09	Faculty PM&S 36 Podiatry Residency Trinity Regional Medical Center Fort Dodge, IA
1/08-1/09	Member Des Moines Citywide Institutional Review Board Des Moines, IA
7/07-11/09	Faculty Family Medicine Program Broadlawns Medical Center Des Moines, IA
7/06-12/10	Research Scientist Center for Lower Extremity Ambulatory Research (CLEAR) Rosalind Franklin University of Medicine and Science North Chicago, IL
7/06-11/08	Clinical Instructor Department of Surgery Dr. William M. Scholl College of Podiatric Medicine Rosalind Franklin University of Medicine and Science North Chicago, IL
7/06-6/07	Clinical Researcher and Podiatric Surgeon North Chicago Veterans Administration Medical Center North Chicago, IL

## LEADERSHIP ROLES

2021-Present	President American Board of Podiatric Medicine
2014-present	Board of Directors American Board of Podiatric Medicine
2020-Present	Associate Editor - Diabetic Foot Section Journal of the American Podiatric Medical Association
2020-2021	President American Board of Podiatric Medicine International
2014-2020	Medical Director Amputation Prevention Centers of America RestorixHealth, Inc. Tarrytown, NY
2015-2019	Chair, Exam Committee Certificate of Added Qualification in Amputation Prevention American Board of Podiatric Medicine
2013-2015	Founding Medical Director Amputation Prevention Center at Sherman Oaks Hospital Los Angeles, CA
2009-2013	Founding Director Amputation Prevention Center at Valley Presbyterian Hospital Los Angeles, CA
2015-2019	Diabetes Liaison Clinical Practice Advisory Committee American Podiatric Medical Association
2009-2011	Chairperson Foot Care Council American Diabetes Association
2010-2014	Medical Director Amputation Prevention Programs Paradigm Medical Management, Inc. Los Angeles, CA
2011-2015	Board of Directors Los Angeles County Podiatric Medical Association

2010-2011	Co-chair International Task Force on the Charcot Foot Paris, France
2007-2009	Founding Director Amputation Prevention Center at Broadlawns Medical Center Des Moines, IA
2008-2009	Board of Directors Iowa Podiatric Medical Society
2007	Assistant Director Student Research Dr. William M. Scholl College of Podiatric Medicine Chicago, IL
2005-2006	Chief Resident; PM&S 24 Saint Vincent Catholic Medical Centers New York, New York
2006.	Resident Research Coordinator Saint Vincent Catholic Medical Centers New York, New York
2003.	President of Students Des Moines University; College of Podiatric Medicine and Surgery Des Moines, Iowa
2003.	President; Iowa Podiatric Medical Students Association Des Moines, Iowa
2004.	Chair; Student Research Symposium American College of Foot and Ankle Surgeons Orlando, Florida
2001.	Class President (Class of 2004) Des Moines University; College of Podiatric Medicine and Surgery Des Moines, Iowa

## **CERTIFICATIONS AND LICENSURE**

1. Board Certified: American Board of Podiatric Medicine, August 2008 (in Maintenance of Certification 2018-present)
2. Certificate of Added Qualification in Amputation Prevention and Wound Care, American Board of Podiatric Medicine, 2017 (Expires 2027)
3. Fellow Faculty in Podiatric Medicine, Royal College of Physicians and Surgeons, Glasgow, Scotland
4. National Board of Podiatric Medical Examiners; Parts I, II, and III
5. Licensure:
  - a. State of New York #N006159 (2006-2018); Inactive Status
  - b. State of Illinois #016-005286 (2006-2009); Inactive Status
  - c. State of Iowa #000800 (2007-2010); Inactive Status
  - d. State of Nevada #0906 (2009); Inactive Status
  - e. State of California #E4857 (2009-2021); Active
  - f. State of Virginia #0103301299 (2020-2022); Active
6. CITI Course in the Protection of Human Research Subjects
7. National Cancer Institute; Human Participants Protection Education Course
8. National Institutes of Health; Human Research Participant Protection Course
9. Undersea and Hyperbaric Medicine Society (UHMS) - Fundamentals of Hyperbaric Medicine and Safety Course (2011, 2012, 2013 and later faculty)
10. National Provider Identification (NPI) number: 1164514550
11. Universal Provider Identification Number (UPIN): V11901

## **BOARD ACTIVITIES**

2020-present	Exam Committee American Board of Podiatric Medicine International
2010-present	Exam Committee American Board of Podiatric Medicine
2014-Present	Exam Committee American Board of Podiatric Medicine CAQ in Amputation Prevention and Wound Care

2020-present	Exam Committee American Board of Podiatric Medicine CAQ in Podiatric Sports Medicine
2012-present	National Board of Podiatric Medical Examiners American Podiatric Medical Licensing Exam Part I and Part II Exam Committees
2008-2010	National Board of Podiatric Medical Examiners NBPME Part 1 Question Judge

## HOSPITAL ACTIVITIES

2013-2020	Active Staff Privileges (2013-2017), Affiliate Staff (2017-2020), Department of Surgery, Sherman Oaks Hospital, Los Angeles, CA
2013-2015	Active Staff Privileges, Department of Surgery, Encino Hospital, Los Angeles, CA
2013-2017	Surgery Committee, Sherman Oaks Hospital Los Angeles, CA
2009-2015	Active Staff Privileges, Department of Surgery, Valley Presbyterian Hospital, Los Angeles, CA
2010-2015	Credentialing Proctor, Valley Presbyterian Hospital, Los Angeles, CA
2009-2015	Surgery Committee, Valley Presbyterian Hospital, Los Angeles, CA
2010-2012	Active Staff Privileges, Department of Surgery, Thousand Oaks Surgical Hospital, Thousand Oaks, CA (*hospital closed in 2012)
2007-2009	Active Staff Privileges, Department of Surgery, Broadlawns Medical Center, Des Moines, IA
2007-2009	Ethics Committee, Broadlawns Medical Center, Des Moines, IA
2007-2009	Infection Control Committee, Broadlawns Medical Center, Des Moines, IA

## HONORS AND AWARDS

---

1. Kaplan-Kanat Memorial Lecture Award, Michigan Podiatric Medical Association, 2021
2. America's Most Influential Podiatrists, Podiatry Management Magazine 2017
3. Fellow, Royal College of Physicians and Surgeons, Glasgow, Scotland, 2016
4. Master Designation, American Professional Wound Care Association, 2013
5. Educator of the Year, California Podiatric Medical Association, 2012
6. America's Most Influential Podiatrists, Podiatry Management Magazine 2012
7. Rising Star Award, American Podiatric Medical Association, March 2011
8. American Podiatric Medical Association Scientific Meeting – Oral Abstracts; \*FIRST PLACE, "Standard Wound Measurements Overestimate Area by 41%." Toronto, ON; July 2009
9. American Podiatric Medical Association Scientific Meeting – Oral Abstracts; \*FIRST PLACE, "Marrow-derived Stem Cells to Accelerate Chronic Wound Healing." Philadelphia, PA; August 2007
10. American Board of Multiple Specialties in Podiatry; Excellence in Diabetic Foot/Wound Care Research Award, May 2004
11. American Podiatric Medical Students Association, Most Valuable Player (MVP) Award for 2002

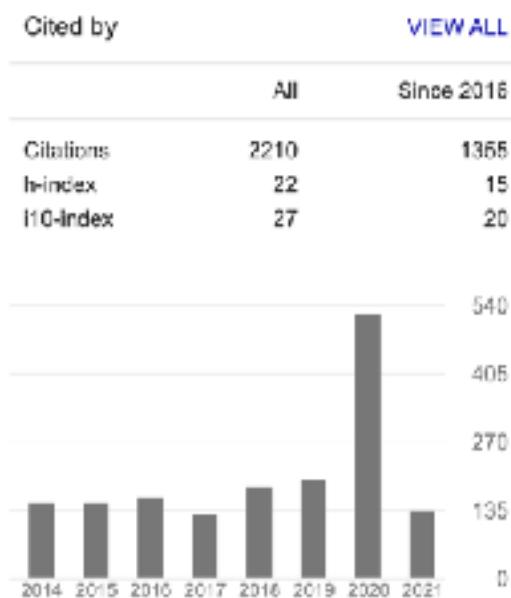

## TEACHING EXPERIENCE

1. Assistant Clinical Professor, College of Podiatric Medicine: Western University of Health Sciences, Pomona, CA
2. Faculty; Introduction and Fundamentals of Hyperbaric Medicine UHMS-accredited 40-hour Safety Course, Paradigm Medical Management and RestorixHealth, Inc.
3. Clinical Faculty to several universities and post-graduate residency programs including Western University, California College of Podiatric Medicine, Des Moines University, Cedars-Sinai Medical Center, and White Memorial Medical Center
4. Faculty; Department of Medicine: Broadlawns Medical Center, Des Moines, IA

5. Clinical Instructor; Department of Surgery: Dr. William M. Scholl College of Podiatric Medicine at Rosalind Franklin University of Medicine and Science
6. Surgery Lab Teaching Assistant, Des Moines University; 2000-2002
  - a. Assisted in the teaching of osteotomies and internal fixation on cadaveric legs. Instructed medical students to perform chest tube placement, cricothyrotomies, pericardiocentesis, and femoral vein cut-down in a live canine model.
7. Lower Limb Anatomy – Teaching Assistant, Des Moines University; 2003
8. Basic Aseptic Technique Instructor, Des Moines University; 2000-2002

## **PROFESSIONAL WORKSHOPS**

1. Basic Concepts in External Fixation. Smith & Nephew, Des Moines - October 2004
2. Charcot Foot Reconstruction with External Fixation. DePuy-ACE, San Antonio, TX – December 2004
3. Charcot Foot Reconstruction with the Ilizarov System. Smith & Nephew, New York, NY – January 2005

4. Advanced Concepts in Charcot Foot Reconstruction. ACFAS, New Orleans, LA – Mar 2005
5. Advanced Applications - Ilizarov/Taylor Spatial External Fixator. Smith Nephew, New York, NY – July 2005
6. Advanced principles of bone healing and fixation. EBI, Parsippany, New Jersey – September 2005
7. Essentials of Circular Fixation of the Lower Limb. SBi, Dallas, Texas – May 2007
8. Transosseous Synthesis for Trauma and Reconstruction. Russian Ilizarov Scientific Centre, Kurgan, Siberia – April 2008
9. Undersea and Hyperbaric Medicine. Redondo Beach, CA – July 2011
10. Undersea and Hyperbaric Medicine. Sherman Oaks, CA – February 2014

## RESEARCH EXPERIENCE

1. Principle Investigator, "A study of skin perfusion pressures after delivery of transdermal CO2 delivered by D'Oxyva on those with and without diabetes," Invisiderm, 2012
2. Principal Investigator, "A multi-center, randomized study of Dermagraft efficacy in venous leg ulcer outcomes (DEVO)," Advanced BioHealing, 2009
3. Principal Investigator, "A phase II randomized, double blind, placebo controlled dose finding study investigating the efficacy of HP802-247 in venous legs ulcers," HealthPoint, 2009
4. Principal Investigator, "A multi-center, randomized study with Integra bilayer matrix wound dressing for the treatment of neuropathic diabetic foot ulcers," Integra LifeSciences, 2009
5. Principal Investigator, "A double-blinded, randomized, controlled evaluation of high voltage pulsed current electrical stimulation for the treatment of loss of protective sensation in patients with diabetic peripheral neuropathy," WaveRx, 2009
6. Principal Investigator, "An Open-Label, Single-Arm, Multi-Center Study of TG-873870 for Treating Patients with Diabetic Foot Infections of Mild to Moderate Severity Associated with Gram-Positive Pathogens," TaiGen, Inc., 2008-2009
7. Principal Investigator, "Use of the dermaPACE™ (Pulsed Acoustic Cellular

---

Expression) Device in Conjunction with Standard of Care in the Treatment of Diabetic Foot Ulcers," SanuWave Inc., 2008-2009

8. Principal Investigator, "Evaluation of a medical food for chronic wounds," Abbott Laboratories, 2008-2009
9. Principal Investigator, "Measurement of dermal ulcers by 2 methods," Retrospective Review, Des Moines Citywide IRB, 2008
10. Principal Investigator, "A retrospective review of Dermagraft for chronic ulcer healing," Retrospective Review, Des Moines Citywide IRB, 2008
11. Principal Investigator, "A retrospective review of surgeries to offload the diabetic foot," Retrospective Review, Des Moines Citywide IRB, 2008
12. Principal Investigator, "The narrowed foot at 1 year, results of a novel procedure to preserve diabetic feet after central ray amputation," Retrospective Review, Rosalind Franklin University of Medicine and Science/Institutional Review Board, North Chicago, IL, 2007
13. Principal Investigator, "Distraction scarf procedure to preserve length of the first metatarsal," Retrospective Review, Rosalind Franklin University of Medicine and Science/Institutional Review Board, North Chicago, IL, 2007
14. Principal Investigator, "Marrow-derived stem cells to augment cutaneous wound healing," Expedited Review, Rosalind Franklin University of Medicine and Science/Institutional Review Board, North Chicago, IL, 2006
15. Investigator, "Vascular endothelial growth factor (telebermin) gel in the treatment of diabetic foot ulcers, a randomized, double-blinded, multicenter trial," Genentech, 2006-2007
16. Investigator, "KeraCure (KC-002) pack of neonatal keratinocytes in the treatment of diabetic plantar ulcers," KeraCure, 2006-2007
17. Investigator, "Use of injectible poly-L-lactic acid to mitigate pressure and risk for ulceration in the high risk diabetic foot," Sanofi-Aventis, 2006-2007
18. Investigator, "Improving sensory function in patients with diabetic peripheral neuropathy using low-level electrical neurostimulation," Afferent Corporation, 2006-2007
19. Investigator, "Pivotal study to evaluate the efficacy and safety of dermal-living skin replacement (Dermal-LSR) in the treatment of chronic diabetic foot ulcers," Apo Pharma, Inc., 2006-2007
20. Investigator, "A multicenter, randomized, double-blind, dose escalating study of the safety and preliminary efficacy of ATG002 in patients with plantar diabetic foot ulcers," Athenagen Inc., 2006-2007

21. Investigator, "Linezolid in the treatment of subjects with complicated skin and soft tissue infections proven to be due to methicillin-resistant *Staphylococcus aureus*," Pfizer, 2006-2007
22. Investigator, "A multicenter, randomized, double-blind, comparison study of the safety and efficacy of a once-daily dose of tigecycline versus ertapenem for the treatment of foot infections in subjects with diabetes," Wyeth, 2006-2007
23. Investigator, "Dermagold shock wave treatment for chronic plantar foot ulcers in patients with diabetes mellitus," Tissue Regeneration Technologies, 2006-2007
24. Investigator, "A multi-center, double-blind, randomized, parallel, vehicle- and standard care-controlled, dose-ranging study assessing the safety and efficacy of MRE0094 gel when applied topically for 90 days to subjects with diabetic, neuropathic, foot ulcers," King Pharmaceuticals, 2006-2007
25. Investigator, "A prospective, multi-center, randomized, double-masked, controlled, clinical investigation of Dermacyn as a replacement solution with Versajet lavage system," Oculus, 2006-2007
26. Investigator, "Phase-II, randomized, double-blind, placebo controlled, 24 week dose finding study to evaluate the safety and efficacy of 20mg, 40mg, and 80mg MCC-257 in patients with mild to moderate diabetic polyneuropathy," Mitsubishi Pharma, 2006
27. Investigator, "A randomized, controlled, multicenter trial of Vacuum Assisted Closure (V.A.C.) Therapy in the treatment and blinded evaluation of diabetic foot ulcers," KCI, 2006
28. Investigator, "A prospective, randomized, comparative, parallel study of acellular matrix wound dressing in the management of diabetic foot ulcers," 2006-2007
29. Principal Investigator, "Treatment complications of external ring fixation, a comparison between two devices," Expedited Review, Saint Vincent Catholic Medical Centers/Integrated Scientific Ethical Review Board (ISERB), New York, NY, 2006
30. Investigator, "A randomized, double-blind, multicenter trial of AutoloGel in the Treatment of Diabetic Foot Ulcerations," Cytomedix, 2004-2005
31. Investigator, "Partial calcanectomy in the salvage of the limb with calcaneal osteomyelitis," Expedited Review, Des Moines University/ Institutional Review Board, Des Moines, IA, 2004

- 32. Research Apprentice to Peter James Dyck, M.D.  
Peripheral Nerve Center  
Mayo Clinic, Rochester, MN  
January 2004
  
- 33. Research Apprentice to Rayaz A. Malik, M.D.  
Department of Medicine  
Manchester Royal Infirmary and University of Manchester  
Manchester, U.K.  
June 2003

## GRANTS AND RESEARCH SUPPORT

- 1. Small Bone Innovations, New York, NY – Fellowship Grant, \$60,000; 2013
- 2. Small Bone Innovations, New York, NY – Fellowship Grant, \$60,000; 2012
- 3. Vons Safeway. Commercially-available interactive hard- and software to implement a telemedicine program for wounds. \$20,000; 2011
- 4. National Institutes of Health. Marrow-derived stem cells to accelerate foot ulcer healing in patients with diabetes. \$150,000; 2008 *unfunded score*
- 5. American Diabetes Association. Marrow-derived stem cells to accelerate foot ulcer healing in patients with diabetes. \$100,000; 2008 *unfunded score*
- 6. National Institutes of Health. The proteomic fingerprint of synovial fluid in Charcot's arthropathy. \$150,000; 2007 *unfunded score*
- 7. Small Bone Innovations, New York, NY - Fellowship Grant and Research Support, \$150,000; 2006-2007

## JOURNAL ACTIVITIES

- 1. Associate Editor; Diabetic Foot Section (2020-present)  
Journal of the American Podiatric Medical Association  
American Podiatric Medical Association, Bethesda, MD
- 2. Contributing Editor (2014-2020)  
Journal of the American Podiatric Medical Association  
American Podiatric Medical Association, Bethesda, MD
- 3. Expert Reviewer  
*Together to Manage Diabetes: A Guide for Pharmacy, Podiatry, Optometry, and Dentistry (PPOD)*  
National Diabetes Education Program  
Centers for Disease Control and Prevention/National Institutes for Health

1. Independent Research Reviewer, United States Army Medical Research and Material Command, Department of Defense, The Pentagon, Washington, DC
4. Peer Reviewer  
Journal of the American Heart Association
5. Peer Reviewer  
International Wound Journal
6. Peer Reviewer  
British Medical Journal
7. Peer Reviewer  
Diabetic Medicine  
Blackwell Publishing, Oxford, UK
8. Peer Reviewer  
Future Drugs; Endocrinology and Metabolism  
Future Drugs Ltd., London, UK
9. Peer Reviewer  
Vascular Disease Management  
HMP Communications, Malvern, PA
10. Peer Reviewer  
Indian Journal of Orthopedics  
Medknow Publications, Mumbai, India
11. Peer Reviewer  
Diabetes Care  
American Diabetes Association
12. Peer Reviewer  
Drugs
13. Peer Reviewer  
Future Medicine
14. Peer Reviewer  
Journal of Diabetes Research
