

Dear Parent/Guardian,

As we all know our children need healthy meals to learn. Coral Academy of Science Las Vegas (CASLV) offers healthy meals every school day. Your children may qualify for free meals or for reduced price meals. At this time there is a federal program supplying free meals to all students, however, we are not sure exactly how long this program will be available and we would like to keep the meals FREE for all students.

The FRL application is confidential and your information will not be shared, and it must be submitted every school year. The online application submission is highly recommended.

Please follow these instructions:

- Infinite Campus: [Campus Parent](#)
- Select "More" tab from the side menu
- Select "Meal Benefits" tab and follow the instructions

Or, you may submit the paper application

<https://caslv.org/ourpages/auto/2022/1/3/49009864/FRL%20Application-2024.docx?rnd=1687327407374>. Please email the completed application to [lunch@coralacademylv.org](mailto:lunch@coralacademylv.org) or mail the completed application to CASLV Central Office 8965 S. Eastern Ave. Ste. #280, Las Vegas, NV 89123.

There are other benefits to applying for the FRL program, which includes receiving discounts on your child(ren)'s exams. For example, Advanced Placement tests, which typically cost \$94 per test, can be reduced to \$7-\$10 per student; ACT and SAT exams can also be purchased at a significantly reduced rate.

Lack of qualifying families applying for free and reduced-price meals may be causing the CASLV to forgo various types of funding. For this reason, we want to encourage all parents to complete the Free and Reduced Lunch Form.

For additional information about the CASLV Lunch program, please visit our [Lunch Program](#) website.

If you have any questions, please email [lunch@coralacademylv.org](mailto:lunch@coralacademylv.org) or call the lunch Department @ (702)776-6529 ext. 108.

Warmest Regards,

CASLV Administration
