

We are delighted to invite you to the **CFA Evenco International Economic & Fund Forum** at the **JW Marriott Marquis in Miami** on **14th March 2019**.

A morning event where influential investors based in Miami and Latin America will join together to meet international portfolio managers to debate the latest thinking in emerging markets, ESG investing, artificial intelligence and fixed income.

Co-organized by the CFA Society Miami and led by Bloomberg.

Participation is by invitation only. Reserve your place now before tickets go: info@evencointernational.com
