

# Evans F. Houghton Award Nomination Form

**Nomination Form Due by March 30, 2020**

All applications must be submitted as a package and must include the following components:

**Application:** below, **Recommendations:** Two written recommendations, preferably with one from the candidate's CEO or direct, executive-level supervisor.

**Justification:** A detailed narrative justifying the nominee's credentials for the award.

In addition to required elements, you may want to include the following Support Materials: Nominations are strengthened when accompanied by materials such as a resume, biography, press clippings, list of accomplishments, and awards.

## Explanation:

The Evans Houghton Award is meant to reward the recipient for exemplary performance in and significant contributions to the field of health care public relations. It is **not** intended to recognize the many professionals who, every day, skillfully perform their responsibilities. It is meant to reward true "above and beyond" contributions to the field.
