## **2018 Summer Robotics Camp Program Contract**

The Forsyth County Schools – Robotics Camp was created to allow students to explore their interests in Robotics technology, to learn some mechanical basics, to gain an introductory understanding of DC electrical wiring & battery use, and begin to explore robotics programming concepts in a fun-filled classroom environment.

A safe and positive learning environment will be maintained on the campus at all times, allowing students to enhance their skills in an exciting hands-on atmosphere.

All rules and regulations observed during the school year, including the Forsyth County School Board Code of Conduct and the Acceptable Use of Computers and Network Resources Policy and Guidelines will be in effect throughout the summer program.

Students are expected to respect the personal rights of their peers and to abide by the expectations of instructors and all program staff.

In the event of misconduct, the parent will be notified. If the unacceptable behavior is repeated, the student will be removed from the remainder of the week's activities and no refund will be made.

Forsyth County Schools and the Summer Robotics Camp instructors thank students and parents for respecting the Code of Conduct and for contributing to an enjoyable and enriching summer experience for all participants.

Drop off each day is between 8:45 A.M and 9:00 A.M. at the rear of North Forsyth High School.

High School Student Camp Assistants will be out back to greet the students each morning and escort them to the classroom. Children should report to camp no later than 9:00 AM.

Should you arrive after 9:00 A.M. **DO NOT** drop students off unattended. After 9:00 AM, parents must escort their student to the Engineering Lab to be signed in.

For Pick Up, parents should park cars in the back of the school. Parents will come in through the open back door and sign out their child. All students will be dismissed from back of the Engineering Lab at 3:00 PM, to authorized adults only.

If a student is not picked up by 3:10 PM, a late pick up fee of \$1.00 per minute will be assessed for each minute beyond the 3:10 P.M. pick up schedule deadline.

There will be a short snack break each afternoon. A snack and drink will be provided to each student. Children may bring their own snack from home, however please label any paper bags or containers with your child's name. Also, no refrigeration will be provided for personal snacks.

Each day, students must provide their own lunch. No refrigeration will be provided for lunch items. In the event a lunch is not provided, the parent will be notified by phone to deliver a lunch for that day.

Payments for Summer Robotics Camp must be received no later than May 30, 2018. Should registrations need to be cancelled after the June 10th deadline the following refund schedule will be in effect:

- Notification of cancelled registration between June 8<sup>th</sup> & June 12<sup>th</sup> = 50% Refund.
- Notification of cancelled registration after June 12<sup>th</sup> = No Refunds Given.

In the event a class is cancelled due to under enrollment, a full refund will be given to all registered students.

We have read and agree to follow the Program Contract:
