Have you heard....?

*Pueblo-based Universal Chastity Education (UCE)  
Celebrates 20 years of Ministry!*

**Background:** UCE has made an enormous impact in the lives of more than a quarter-million youth in Africa since its founding in 2004 by Drs. Ken & Kim Dernovsek in Pueblo. As an international, pro-life ministry, UCE conducts educational outreaches teaching “Abstinence, Be Faithful, thru Christ” (including as a 2nd chance). UCE has received hundreds of testimonies in Africa from a collective of youth, parents, teachers, and principals including reduced teen pregnancies, improved student academic performance, decreased incidence of HIV/AIDS/STDs, and fulfillment in marriage or religious life. For more information about UCE, visit [www.uceglobal.org](http://www.uceglobal.org) to watch the six minute summary video. UCE is an interdenominational 501(c)(3) non-profit organization with Catholics, Anglicans, Lutherans, non-denominational Christians, and others working together for a common life-saving mission. UCE has been featured on EWTN and Global News Alliance. Thank you to everyone who makes this ministry possible and fruitful!
