2026 Allied Member Engagement Program

Your Invitation to Support AIA Arkansas

The Allied Member Engagement program was created to promote communication among all members of the architectural community. It gives architects and vendors the opportunity to network, get to know one another and share ideas and challenges as a team. Allied Members include those involved in roles allied to the field of architecture, like engineers, planners, landscape architects, craftspeople and artists and professionals involved in government, educational, and legal services. By becoming an Allied member, you can accelerate your business goals and increase brand visibility to position your company as an industry leader committed to creating quality spaces where we all can live, work and play.

Allied Membership provides opportunities to connect with AIA Arkansas's community of architectural professionals. In turn, Allied Members provide essential support for AIA Arkansas and its annual activities. Connect with Arkansas architects by becoming an AIA Arkansas Allied Member today!

Allied Membership—\$1,000 annually

To be a sponsor you must first be an Allied member of AIA Arkansas.

Event or Program Sponsorship, starting at \$250

Throughout the year AIA Arkansas hosts a variety of events and programs with a broad spectrum of sponsorship opportunities. As details are finalized for each, levels are announced. Top-Tier Benefactors have the opportunity to claim exclusive sponsorship spots and receive the first-right-of-refusal for the next year's programming. Organizations enrolled in our Allied Program receive immediate and direct notification of these opportunities.

Please note: Allied Membership provides local chapter benefits only. Allied Memberships run on an annual cycle, with membership benefits valid upon payment and through December 31st, regardless of the membership start date.

The AIA Arkansas Allied Member Program is exclusive to the state chapter and not affiliated with AIA National.

2026
EVENT
SPONSORSHIPS

AIA Arkansas provides the Arkansas architecture community with resources and relationships to make a difference through design.

AIA Arkansas wants to help you reach the design community with a variety of opportunities for exposure. We offer a direct way to reach design professionals and strengthen and build your relationships with the design community.

Our AIAAR Committees & Sections coordinate special events meant to foster camaraderie, promote the architectural profession, and foster collaboration amongst others in the design, engineering, and construction industries. These events provide an opportunity for you to promote your business to a specialized target market while networking and establishing new business leads.

Sponsorship of an individual event provides visibility during advance promotions as well as onsite at the event, and is a good way to engage specific design audiences relevant to your product offerings. Additional sponsorship opportunities for events and programs will become available as they are developed by chapter committees.

Event Sponsorship costs are determined on a case-by-case basis. Event Sponsorship can be for portions of an event such as food or drinks, an entire event, or CE series.

The first step to sponsoring an AIA Arkansas event is to become an AIA Arkansas Allied member! To join or renew, visit aiaar.org or contact our office at 501.661.1111.
