

2017 *Spotlight* on League Achievement

Throughout the year, Leagues are urged to share with each other ideas and activities that have worked for them at the local level. These ideas can be big or small but all should bear the test of experience. At the 2017 State Convention we'll put the ***Spotlight*** on local Leagues to recognize achievements in some or all of the following categories:

- Citizen Education Tactics
- Voter Service/Candidate Forum Strategies
- Community Collaboration/Diversity Awareness/Outreach (program or action)
- Fundraising Project
- Visibility, Publicity, Web site or other public outreach
- Newsletter or other internal communication
- Membership recruitment and retention; outreach to new members, new member mentoring
- Advocacy
- Other? If your idea doesn't fit neatly into a category, send it anyway and we'll figure it out!

Please submit your application on the form below. You may send it by e-mail, but be sure to include the local League making the nomination and a contact name. Include a brief statement (50 words or less) on why your nomination merits the ***Spotlight***. You may enclose newspaper clippings or other significant material.

Applications must be in the League office by April 1, 2017.

All Leagues who submit an application will be considered for participation as a ***Spotlight***. The only requirement for application is that your activity has taken place since the last convention in 2015.
