

Future Ready Activities

- Online activities for **every** K-3, 3-5, 6-8 and 9-12 standard
- Activity results and badges serve as artifact evidence – **no uploads required!**
- Created using the PA CEW Standards as a blueprint
- One activity per class (20-30 min)
- Intro (video) – interaction/gaming -- reflection format
- **Future Ready Badges** awarded for each CEW standard achieved
- Covers ALL Strands and elements

Future Ready Plan and Portfolio

- Documents each student's progress throughout K-12
- Localized exploration of careers/clusters/programs and majors/schools and colleges; store favorites
- Ability to **upload additional student artifacts** and tag to the CEW standard
- Viewable by teachers and parents (opt)
 - Also holds resume, references, and other required docs
 - Stores student projects, awards, work

**All Inclusive Subscription
to SmartFutures.org
\$3000 annually**

*Unlimited users --
high school or building*
Small add-on for each additional
middle school and elementary school
* most standard-sized schools*

Future Ready Badging

- **23 Future Ready Badges**, color-coded by Strand, for each grade range
- Students earn STARS with "I statements" about learning
- "I Statements" placed on back of flippable badges
- Great for Transition Plans within IEPs
- Also career-based skill improvement and credentialing
- Math and Reading, digital literacy and more

Future Ready Monitoring and Reporting

- Ongoing **monitoring of PIMS progress** by student, class or grade level
- Create reporting data files in required format
- Link to students' artifacts and career plans to demonstrate compliance
- Also monitor results of badging and credentialing, activity completion, and favorites selections
