

Creating Greater Visibility for Your Non Profit through Media Relations Including Public Relations and Social Media Tools

Presented by Risa B. Hoag, President
GMG Public Relations, Inc.

**Thursday, March 29, 2018
8:30 a.m. – 10:30 a.m.**

Non-Profit organizations have a tremendous opportunity to leverage media – both traditional and social – the challenge is figuring out how to best present the organization, its initiatives, and various special events to achieve maximum exposure. Social media presents endless creative opportunities for visibility, but do you know which tools to use and how best to use them to your group's advantage?

In this workshop you will learn:

- How to write a press release that fits the media's expectations
- How to draft an email to the media to get their attention
- How best to promote your events using online calendars
- Tools you can use to create social media graphics with a 'wow' factor
- How each social media platform can and should be used to promote your activities

Join the discussion, bring your questions and learn valuable information!
