

Criteria for Decision Making for New Initiatives

Criteria Question	Yes	If Yes, how or what?	No	Maybe- What info is needed?	Who will gather the info?
Does the opportunity fit with our mission, vision, and values?					
Is the opportunity related to our strategic priorities?					
Does the opportunity better serve our clients and/or constituents?					
Are there clear results that we aim to achieve by taking advantage of this opportunity?					
Do we have the personnel capacity to engage in this opportunity?					
Is there a cost to not engaging in this opportunity?					
Does this opportunity benefit personnel, board, and volunteer morale?					
Do we have the resources needed to engage in this opportunity?					
Will this opportunity provide a long-term benefit?					
Is this opportunity a better fit for one of the organizations we collaborate with?					
Do we have a clear understanding of the challenges this opportunity may bring?					
Does the opportunity offer a realistic timeline for implementation?					
Can we readily monitor progress of the results if we engage in the opportunity?					
If we engage in this opportunity, do we think we will be able to deliver high performance?
