RE: Entry Procedure for 13-Over SCY State Championships

Due to some concerns on the procedures laid out in the Meet Announcement with regard to the use of OME, please follow these steps:

- 1) All Clubs are to use OME and have all of their entries completed and checked out by Tuesday, February 15th, 2022 at 6PM CST (PLEASE NOTE: OME does not officially close for this meet until Tuesday, February 22nd, 2022 at 6PM CST - time updates and additions can be made after February 15th, 2022).
 - a. The Administrative Team will pull these entries and work on Prelim assignments and can work on a tentative session report.
 - b. **PSYCH SHEETS WILL NOT BE PUBLISHED UNTIL FEBRUARY 23RD, 2022**.
- 2) Any athletes 12 Years of Age or younger who wishes to participate in an OPEN event cannot enter the meet via OME and should do so by emailing the athletes name, ID, event and time to Michael Harbert (aquaymca@yahoo.com) AND Brian Temke (temke@yahoo.com) – these entries MUST be received by Tuesday, February 22nd, 2022 at 6PM CST.
- 3) Disability Athletes entering into one of the designated Para Events should still enter the meet via OME and enter "Custom Times" and designate "PARA". Please alert Michael Harbert (aquaymca@yahoo.com) and Tom Miazga (tommiazga8@gmail.com) these athletes so that Tom can coordinate with the athletes regard to procedures going into Finals. QUESTIONS OR ISSUES ON OME – PLEASE DIRECT TO BRIAN TEMKE.
- 4) Times achieved between February 15th, 2022 (6:10PM CST) and **SUNDAY, FEBRUARY 20TH, 2022** (updated in the meet announcement) can be added by logging back into OME – Please remember to close out by the February 22nd, 2022 6PM CST deadline!
- 5) Any "dropping" of initial events entered or "switches" are to be done through the VIRTUAL SCRATCH BOX.

Thank You for your understanding and adaptability.

Jeanne
