

TEAMS: September 1st is HERE!

Please remember to create your links for Premium Member Registrations and Outreach Athletes.

Remember: Teams must create these links even if they are doing Bulk Renewal because all registrants that are new members will need to create a new SWIMS account (username and password) and use the Club's 2024 OMR link to complete their registration. In addition, expired members will need to use the Club's 2024 OMR links to complete their registrations, but should not create a new account.

How do I find my club's online registration link?

1. Log in to your USAS account
2. Click on 'Club' from the top right navigation options and select 'My Club' from the dropdown
3. On the 'View/Edit Club' page, click the gray 'Registration' tab
4. Click 'Registration Link'
5. Find the link you want to share (i.e., Full Price Membership or Outreach Membership)

Looking to share your link?

Clicking the 'Copy' icon below 'Custom Link' copies the registration link to your clipboard. Send this link to a member and they will be taken to Online Member Registration for your club.
