## **Background**

### **1. What happened at the old school, did you get thrown out?**

*Not this time, the school is now permanently closed on Sundays which made it difficult to schedule.*

### **2. Will the study fill up before I am able to register?**

*If you pre-register, you will be guaranteed a seat for the workshop. We register many people at the event and do figure a way to accommodate all those who wish to attend. The base of the workshop grows each year, because many people attend every year, but we never have turned people away.*

### **3. What hotel arrangements have been made?**

*The Big Book Weekend is structured as a study and not a retreat and there are no negotiated hotel rates. If you need to reserve a hotel room there are several very close in downtown Minneapolis.*

### **4. What time zone are you in?**

*All the times listed on the flyer are Central time. The Big Book study takes place in Minneapolis, MN.*

### **5. What is your agenda for doing this class are you selling something?**

*No, our leader is a long-time abstinent member of Overeaters Anonymous who has recovered through following the directions in The Big Book. His story runs the spectrum of compulsive eating behaviour including weight loss, relapse, weight gain, sobriety etc. Our host leads the weekend without payment as a commitment to carrying the message, and is performing service at the highest level in OA serving on our Board of Trustees. Plus he's filthy rich ;-).*

### **6. Are there scholarships available?**

*Scholarships are available for classroom attendance. You can designate scholarships on the registration page.*

*Many fellows attend each year. Lawrie's stories continue to inspire us. The Big Book comes alive every time we study it.*

**2. Is there any prerequisite to taking the class, I'm new?**

*No, many of the new attendees have never read the Big Book or if they have read it didn't really understand it. Lawrie brings a wealth of historical understanding and years of research that helps people cut through the sometimes unfamiliar writing style, jargon and gender bias and understand the true instruction to make it a living personal document.*

**3. What should I bring to class?**

*Bring your Big Book, highlighter, notepad, caffeine to drink outside the classroom ;- ) and a pen. Please tell your friends.*

**4. What if I don't have a Big Book of my own?**

*There will be Big Books to buy or borrow during the class. We will also have some supplies for sale like highlighters and sticky notes.*

**5. I am struggling defining my own abstinence, will this help me?**

*The Big Book through the Doctor's Opinion, the description of the addictive mind and examples has helped many struggling members identify and abstain from their binge (alcoholic) foods and compulsive eating behaviors.*

**6. Is this the official way of doing the program or doing an inventory?**

*There is no one way of working the program or doing an inventory, but Lawrie tries to validate the approach expressed in The Big Book as direct, simple (not easy) and offers rapid healing and a recovered state of both mind and body.*

**7. Where can I get more information about the class content?**

*The electronic versions of the inventory forms can be downloaded at [www.oabigbook.info](http://www.oabigbook.info).*

**Webcast & Technical Info**

*Very closely, you will see the presentation, hear clear sound and view a real-time video image from the web camera focused on our speaker.*

*The broadcast will allow you to follow along easily with the progression of the teaching. The multimedia presentation will be broadcast, providing a rich learning and listening experience. Sound will be of high quality and available through your computer's speaker, mobile device or through a toll (non-local) bridge number. The system will be in listen only mode.*
