

# North Royalton City Schools

IN-PERSON LEARNING PRESENTATION  
October 8, 2020

# **Vision Statement During COVID-19**

During the COVID-19 global pandemic, our educational community will first provide a safe and secure learning environment for all students while continuing to identify individual students needs and provide comprehensive support.

# **Belief Statements During COVID-19**

- We believe in safely providing in-person instruction to best meet students' social, emotional, and academic needs.
- We believe in adapting our environment and delivery of instruction to meet student needs, when public health guidelines and community circumstances change.
- We believe on-going communication and collaboration with families allows us to provide high-quality social, emotional, academic and technological support.
