GARDENS OF HOPE 2026/27 WISHLIST

GARDENS OF HOPE
JOSEPH P CORY FOUNDATION

Let's keep growing healthy kids and communities. You are not just funding a garden. Your contribution makes an impact on health and wellbeing; mind, body, and spirit.

$10,000	Benefactor - Sustaining and growing the Gardens of Hope program: New tools, soil, seeds, plants, project materials, healthy food and more each year.
$5,000	On-site educators for students K-12. Includes approved curriculum, projects, and materials.
$3,750	Large Organic Teaching Garden for a new site.
$2,500	Seeds and seedlings for all Gardens of Hope schools.
$1,200	Healthy snacks for students during monthly on-site visits from foundation educators.
$750	Journals - One per student. You may devote a cover or page to showcase your business/support/or other.
SEEDS OF CHANGE	Matching funds towards the Gardens of Hope program and resources- All donations will be matched 100%.
