Garden Crossword

Across

2 I am a popular thing to grow in a garden. You might eat me plain or in a pasta sauce.

3 I help plants, animals, and people grow. You might reach for a glass of me when thirsty.

4 Bees spread me around so I can help plants grow! But if you have allergies, I might make you sneeze!

5 Plants need me to grow! I am up in the sky and shine bright.

6 I grow on trees and come in many flavors (like Red Delicious and Granny Smith). Sometimes, you may taste me in a pie.

7 We provide shade and our roots grow below the ground, even though we stand tall from above.

Down

1 Before I become a beautiful butterfly, I start off as this.

5 If you are starting a garden, you might bury some of these in the ground.
