Welcome to the ProTradeNet furniture program

Office Depot and Bush Business Furniture will provide you with high-quality, ergonomically designed furniture for your new office.

The following pages will show you:

- Examples of furniture styles, components and layouts that are available to you through this program
- Dimensions (measurements) of the layouts
- Item numbers for placing your order
- Note: there are many more options beyond what you see here,
Let us help customize to meet your needs

Follow these steps to select and order the right furniture in the best colors for your unique office.

1 Contact Your Space Planner

1a) CONTACT spaceplanning@bushindustries.com to begin planning process, Be sure to let us know you are with Neighborly

1b) MEASURE the space that you have allocated for your office.

1c) NOTE any obstructions that will affect what will fit there. Examples: - Windows you might not want to block, Wall units or floor vents, etc. for heating or air conditioning. Smoke detectors, electrical access panels, or any other conditions on the walls that should be unobstructed

A design proposal will be provided to you within 24-48 Hours.

2 Choose Your Furniture

2a) VIEW the furniture layouts. Look through all of the choices and narrow them down to no more than two that will fit. These "finalists" should be based on the measurements you took and the obstructions you must avoid.

2b) VISUALIZE the layouts and see which one will be the most efficient for your working style. Use masking tape or other objects to "place" the furniture layout in the space to make sure you'll be happy with the one you select. Make sure you leave a MINIMUM of 36 inches of "chair travel" between furniture or other obstacles.

2c) SELECT the finish option that best complements your décor

3 Place Your Order

BE CAREFUL. Each office layout is "made to order," just for you, based on the items and the colors you've selected.

3a) CONTACT Eric Ostlund - Account Manager Tel: 855.337.6811 x 12788 eric.ostlund@officedepot.com

3b) BE PATIENT. Your order will be processed in a timely manner. This generally takes 1 to 2 business days for order entry and acknowledgment from BBF. From there, your new office furniture should arrive in approximately 10-15 business days from receipt of order payment.
