

MASTER CLASS INTENSIVE

SKILLS MUSICALITY TECHNIQUE

We will focus on Performance Skills, Musicality and Technique

Open to all ages and levels, there is something here to learn and develop for all of us.

This convention is a non competitive environment where we teach Technique, Performance Skill and work to Develop Musicality. Convention Class is an opportunity to learn and grow amongst other personalities and skill sets. We strive to further broaden students interest in dance forms and to encourage their continuing dance education within their own Studio and to be the best they can be.

CONTEMPORARY This highly creative innovative style has a huge emotional connection to the song. We will embrace the song with our mind, body and spirit as we follow the music blending techniques from various genres, such as jazz, modern, ballet in expressive movement and floorwork. We will incorporate improv using gravity to pull us into a movement for unexpected movements using our self-expression and freedom. Barefoot, socks, jazz or ballet slipper. All ages & levels.

TAP CLASS will consist of working on progressions across the floor with a strong focus on technique. We will work on your tones and clarity as well as your rhythm and musicality. Then off to the center of the floor for a short but rhythmic combination utilizing some of the progression work that was taught earlier in class. FUN, ENERGETIC and STYLISH. All ages, levels Tap shoes please.

JAZZ CLASS will consist of three sections. First starting across the floor with turns, kicks, and a leap/jump of a sort. Followed by utilizing a musical step that will move across the floor. And last but not least a stylish and creative combination with sharp movements consisting of jumps, leaps and turns. A class designed with high energy and competition worthy for all dancers. Jazz Sole, all Ages

HIP HOP We will work on High Energy quick paced movements requiring high endurance and stamina. In addition, you will have some special moves that look effortless and push the boundaries. We will work on versatility where you can do these moves in the studio, with friends or as a solo, and lastly we will work to boost confidence, boldness and attitude. All ages, sneakers are good.

OPEN CLASS - Open Technique Class focusing and enhancing on the students strength whether it be acro, turns or expression. We will work with improv, musical theatre and various skills to perfect your individual and unique style in performing and in live.

Our goal is to help foster a life long love of Dance for students and teachers of all ages and abilities. The Convention is set in a professional hotel ballroom and is aimed to support, encourage, teach, inspire, and acknowledge students efforts in a creative, fun, atmosphere to nurture growth.
