

Our 2026 Covenant with the Presbytery of the James

Who we are: As congregations of the Presbyterian Church (U.S.A.), we provide that the Word of God is preached; the Sacraments rightly administered; and we nurture a covenant community of disciples of Christ. We do this by sharing our collective resources with each other, generously, out of mutual love, respect and care for our neighbors. (*Book of Order* G-3.0101)

There are many ways for a congregation to share who we are as stated above:

- Through our prayers for the presbytery, the synod, and the General Assembly.
- Through the service of pastors and ruling elders in the work of the presbytery, the synod, and the General Assembly.
- Through the financial support of the missions and ministries of the presbytery, the synod, and the General Assembly.

Together as a presbytery, we declared this to be our mission: ***To support leaders, congregations, and ministries in growing followers of Jesus Christ who joyfully live out God's mission in the world.***

***On behalf of the session of _____ Church,
we agree to be in covenant with the Presbytery of the James
through our prayers, our service, and our resources.***
