HONORING OUR HEROES & BENEFITING AT-RISK YOUTH IN OUR COMMUNITY

At Eagle OPS Veteran Foundation, we believe in being Difference Makers. As the veterans we support often experience a lost sense of purpose in their journey home, our at-risk youth often battle to ever discover a healthy sense of purpose. As a part of our Reach One More Operation, we've created the EAGLE OPS RUN WITH A HERO 5K. Our mission is to provide an opportunity for our at-risk youth to connect with our community HEROES while they run/walk our event. All military, veterans, first responders, and patriots are invited to join us in this community building event. We hope this mission will build a bridge for our at-risk youth by providing them with a positive role model and encouragement through our community HEROES, while helping our veterans rediscover purpose through service. RAH!
