

CALLING FAMILIES OF CHILDREN AGES 0-5

We Want To Hear From You!

We are dedicated to designing a system that makes it easier for families to find and enroll in early learning opportunities in their community. We believe that in order to achieve this goal, it is important that we hear from the people that this system is intended for! If you have children ages 0-5 and have experience navigating the world of early childhood care and learning opportunities, we want to hear from you!

Complete Our Survey

Complete a **short** survey to share about your experience with finding child care. **Those who complete our survey by March 21, 2025 will be entered for a chance to win a \$50 gift card.**

About Us

Child Care Aware of Washington's Family Access Program aims to partner with families across the state to design and implement an early learning navigation system. We hope to make finding and enrolling in early learning more accessible for families of all backgrounds.

Your Voice Matters!

Our survey can be completed anonymously. Those interested in entering to win a gift card *will* need to provide contact information, however, this information will **not** be tied to survey responses.
