MILWAUKEE
PUBLIC SCHOOLS

MPS offers free COVID-19 rapid testing. Families can fill out a consent form to be kept on file with their child's school. If a child shows symptoms of COVID-19, the school can arrange to have the child quickly tested. The form also provides the option of routine testing.

Help keep students safe in our schools! Signed consent forms allow staff to quickly test students and isolate those who test positive. If you have not already done so, sign and return a consent form so your child can be tested. Forms are available in Arabic, Burmese, English, Farsi, Hmong, Karen, Pashto, Rohingya, Somali, and Spanish.

Visit mpsmke.com/covidtesting to access the COVID-19 Student Testing Consent Form or use the QR code. Contact your child's school with any questions. **Thank you for taking this important step!**

Note: MPS continues to offer FREE COVID-19 rapid testing for students and staff twice per week: Wednesdays from 4:00 – 8:00 p.m. and Saturdays from 10:00 a.m. – 2:00 p.m. Pre-registration is required at **TrackbyNovir.com**.
