## CORONAVIRUS (COVID-19)

# MPS COVID-19 Vaccine Clinics

**COVID-19 vaccine is now available for everyone age 12 and up!**

Help safeguard your family by getting the vaccine for your household — all adults and all children age 12 and older.

### Important Information

- ▶ The Pfizer vaccine is the *only* vaccine currently **approved for youth**.
- ▶ The Pfizer vaccine **requires a second dose** three weeks after the initial dose.
- ▶ Vaccines are highly effective in preventing COVID-19 illness and hospitalization.
- ▶ A consent form signed by a parent/guardian is required for children to receive the vaccine. Download the [\*\*Vaccine Consent Form\*\*](#) (English & Spanish).
- ▶ Vaccines are **free** of charge. Insurance is not needed.
