*Families will receive login information after they register.*

MPS invites families to attend one of these Zoom sessions to explore virtual learning. Understand the technology and resources that will be used to educate your child during Phase One of the MPS Reopening Plan.

Tools and tips will be shared to support students using Chromebooks at home during virtual learning. Learn about best practices, ask questions, and get ready for a successful school year.

For questions, please contact the Office of School Administration at (414) 475-8016.

Recordings of these Zoom sessions will be available at **[mymps.org](https://mymps.org)**.
