*Families will receive login information after they register.*

MPS invites families to attend this Zoom session to understand expectations for students in AP/IB, Early Childhood, Bilingual, Montessori, and Special Education programs during Phase One of the MPS Reopening Plan.

We will share ways that families can engage in their child's virtual learning and support academic success. The team will answer questions from families to help address concerns with at-home learning and online education.

For more information, please contact the Office of Academics at (414) 777-7806. A recording of this Zoom session will be available at **[mymps.org](http://mymps.org)**.
