PG Chamber of Commerce - Did you know

October 2016 Issue

Did you know… If you are an experienced, certified tradesperson, that you are eligible to become a Subject Matter Expert in your trade?

The Industry Training Authority (ITA) is looking for Subject Matter Experts (SMEs) in BC for a variety of trades. Make your mark in the up-keeping of the occupational standards for your trades community. As an SME, you'll provide feedback on the contents of Standard Level and Red Seal exams, which will ensure that the apprentices and certified tradespeople of today are equipped with the right knowledge and skill set in your trade. Get involved. Help shape trades training in BC.

For more information on becoming a Subject Matter Expert, visit
