

The Purpose

When we consider love, we often think in terms of thoughts and feelings, but love is so much deeper than that. Love is not just lofty ideas or fluttering feelings; **love takes action**. The life of Jesus, and His example of serving others, teaches us this. On Saturday, April 29, we will take our love out to the community so that others can experience the love of Christ. Join us because “Love Does.”

The Plan

7:30 a.m. Check-in.
8:15 a.m. Devotional and Breakfast in the Fellowship Hall
9:00 a.m. Leave for worksites
Noon Nursery pick-up
