This seminar focuses on Advanced facial acupuncture protocols, such as: Japanese scar therapy, intradermal needling, threading, needle depth and insertion, "wrapping around the bone" techniques, as well as comprehensive work with facial muscles and motor points. These protocols can be used for syndromes such as Bell's palsy, windstroke, facial paralysis and TMJ (temporomandibular joint dysfunction).

The seminar will also include:

- ✚ The energetics of the face and the 3 Treasures
- ✚ Skin aging: an overview of the anatomy and physiology of the skin
- ✚ The function of 19 facial motor points; an Oriental medicine perspective
- ✚ Guidelines and a suggested protocol for facial motor point needling
- ✚ Physiognomy: "Balancing the corpus callosum"
- ✚ Five element pathology and constitutional needling protocol
- ✚ A business forum
- ✚ A topical Chinese herbal facial protocol, with soothing botanicals and essential oils, jade rollers and gem discs
- ✚ The Instructor will demonstrate all the protocols, and the participants will give and receive treatments
- ✚ Quiz: facial analysis of a celebrity; open book test, followed by group discussion
- ✚ Practical wisdom: insights drawn from Ms. Wakefield's 35+ years of experience
