Stand-up comedian Shaun Eli has rightfully been called one of America's smartest comics. A master storyteller, he proves that there's hilarity in the ordinary if you approach life with a comedic warp. For just about anything he's experienced, Shaun has a hilarious story at the ready.

Talia Reese was a former ("moral") bankruptcy lawyer whose comedy career started off in bar basements and midnight open mics. Her set is high-energy and autobiographical, and Good Times Magazine recently described her as "one of the best of the new breed of East Coast comics."
