ELDER LAW & ESTATE PLANNING

Let's serve up some fun and make a meaningful impact in the fight against Alzheimer's. Join sponsors Brightview Senior Living and Futterman Lanza as we host a fun-filled evening of pickleball with a purpose. The evening's proceeds will benefit the Alzheimer's Association Long Island Chapter and Long Island's Alzheimer's Disease Resource Center - helping fund critical research and support services.

On **Wednesday, July 9** we welcome intermediate players and on **Thursday, July 10** we welcome advanced players. Your entry fee includes at least 3 games, dinner, your first drink and an awards ceremony at the end of each evening.
