Estate Planning Through Each Stage of Life:

*Presented by: Wayne Carrabus, CPA, Esq.
We will walk through the type of estate planning recommended in each decade/stage of life and explain what it will do to protect the family members from a legal, financial, and medical perspective.*

Live Well, Be Well:

Presented by: Carol Hartmann from ADRC. Learn about the pillars of health today and share how your families can protect their brain health tomorrow.

The Arbors Assisted Living at Islandia

Learn about our 18 year history of providing quality care, and a quality of life to hard working Long Islanders. From creating opportunities to once again enjoy the social aspects of life, to supporting seniors with physical or cognitive limitations, The Arbors helps guide families towards a decision to set their loved one up for success, comfort, and happiness.

The Alzheimer's Disease Resource Center, Inc. is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers, Provider Number: #SW-0332. This program is approved for up to 2.0 Hours.
