

EXECUTIVE NETWORKING GROUPS

FENG – The Financial Executive Networking Group

www.thefeng.org

Membership is free

Membership requires sponsorship. You will need to identify someone to be your sponsor. If the person who sent you to our website is not a member, please call our Chairman, Matt Bud and he will help you find a sponsor. Having a sponsor is a REQUIREMENT. We will not add you to our membership unless you have one.

Senior level organization – must have held a CFO, Controller or Treasurer position of a significant organization or have 15-20+ years of work experience.

Chapters are US and International

CPENG – Career Professional Executive Networking Group

www.cpengroup.org

Membership - \$52.00 annual fee (May attend 2 meetings as a guest)

Criteria to be a member:

- 4-year degree, preferred
- Executive management experience [Director, Vice President, C-Level] OR 5+ years of middle management experience
- Current Resume

Chapters are local to the Philadelphia area.

BENG – Business Executive Networking Group

www.thebeng.org

Membership - \$35.00 annual fee (May attend 2 meetings as a guest)

Criteria to be a member:

- Arrive prepared with your one-pager (25 copies), tent card., name tag and notebook in business casual attire.
- Have the right attitude. Be willing/ready to assist others with whatever you can contribute.
- Contribute whenever possible (even during your first meeting), offer to other attendees helpful information, and contacts to their target (or similar) companies.
- Pay attention. No side conversations.
- Take notes. Write down in your networking notebook the contacts you are given. Make a note of whatever you offer to provide to others; seek to give/send these immediately, if possible, but not later than three days.
- Come with the commitment to promptly act on every contact that you receive.

Chapters are local to the Philadelphia area.

Pennsylvania Bio Pharma Networking Group (PABPNG)

www.bpng.org

Membership – free

Bio Pharma Networking Group (BPNG) is a not-for-profit, all-inclusive life and health science professional's community that actively promotes the "real power" of networking. Serve people in various disciplines and corporate cultures who value key-relationships building at all stages of careers. BPNG encourages a crossover effect for valuable lead and resource sharing at casual monthly meeting events where people can exchange information, trends and ideas. Goal is to support, serve and educate life and health sciences professionals.
