

SCIENCE SATURDAYS

1st Saturday of the Month @ 10:30 AM | Free Activities!

February 2 | The Science of Water

Learn about hydrology with the Western Science Center and Eastern Municipal Water District!

March 2 | The Science of Sleuthing

Solve mysteries and learn all about the science of forensics!

April 6 | The Science of Creativity

Flex your creative muscles by discovering the scientific principles behind our need to create!

May 4 | The Science of Force

May the Force - of gravity - be with you! Learn about physics and watch a Navajo translation of Star Wars!

Activities for Science Saturdays are located in the Museum Piazza. Children under the age of 13 must be accompanied by an adult. Additional fee to enter the museum.
