JULY 14-16

Out-Of-State
Teams
Welcome

THE MOST TIME HONORED
JUDGING FIELD DAYS IN THE
COUNTRY

Any 4-H member is welcome to participate, regardless of experience level

Livestock judging is a great way for youth to:

- Learn how to competitively judge livestock
- Develop skills in evaluating animals for real-world use in future operations
- Build confidence in decision-making and public speaking
- Compete for **scholarship opportunities**

We encourage all youth—even beginners—to take advantage of this opportunity. Livestock judging is a valuable experience that builds lifelong skills, and we would love to have you involved this year!

Big 3 Entry Deadline: July 6

Contest Dates: July 14-16

Location: Stillwater, OK

Commitment: Contest days will be full-day commitments and participation is expected for all three days.
