### ELECTION PROCESS

The Chapter is governed by a Board of Directors (President, President-Elect and VP's) and a number of appointed positions, including Committees and Event Chairs.

All Board of Director positions are elected by Professional Members. The President appoints all other positions.

The Nominating Committee will sign the **Oath of Confidentiality** and research each nominee's eligibility and interest in serving on the Board.

All elected positions serve two-year terms, except for the President and President-Elect. The President and President-Elect may not serve more than one consecutive full term in office. Appointed positions have no term limitations.

Once a **Single Slate** of candidates is approved, an **Election Ballot** will be distributed to all Indiana Chapter Professional Members in May for vote.

The new Board of Directors takes office on July 1, 2018.
