What's New?

Welcome to 'In the Know with APSRC,' your monthly newsletter packed with the latest news, upcoming events, valuable resources, and more. We're excited to share our recent activities and give you a sneak peek into our future plans. Keep reading to discover an array of resources and announcements you won't want to miss!

Foundations & Futures Professional Learning Program

APSRC is happy to announce our Foundations & Futures program collaboration.

Foundations & Futures brings together the expertise of [The PEER Network](#) and our [Leading to Read Initiative](#).

If your district is applying for a Professional Learning Grant through DESE, we can be your partner in this work! We are an Arkansas team fully invested in the success of Arkansas educators and students.

If you are interested in support from our office to apply, please reach out to [Jeana Williams](#).

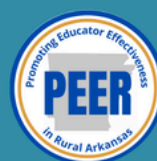

FOUNDATIONS & FUTURES

Enhancing Leadership and Instructional Practice

The PEER Network

The mission of the PEER network is to meet the unique needs of rural Arkansas schools and build capacity by empowering teacher leaders in a learning community.

Leading to Read

The Leading to Read mission is to improve literacy instruction in schools through coaching and professional learning designed to build capacity, strengthen knowledge, and support implementation of high-quality instructional materials and effective instructional practices.

Introducing the Spark Symposium for Charter Schools

We are excited to announce our new and improved Spark Symposium for Charter Schools! Coming in the spring of 2025, this event will offer more opportunities for interaction, engagement, and networking.

The Symposium for Charter Schools on **May 20th, 2025** builds on the success of our past Spring Charter Conferences, with an enhanced focus on offering more opportunities for interaction, engagement, and networking.
