And Peter needs your help.

This is Peter Ganucheau. He is the son of Adam and Brigitte. Peter lives in Mobile, AL. He loves watching his big brothers and cannot wait until he is big enough to run around and join in their fun. He loves snuggles and peek-a-boo and chewing anything he can put in his mouth!

But, Peter was diagnosed with biliary atresia. It is a rare liver condition that affects 1 in 18,000 children. The cause is unknown and there is currently no cure. The doctors at Children's Healthcare of Atlanta Egleston Hospital in Atlanta, Georgia have recommended a life-saving liver transplant.

The estimated cost of Peter's transplant exceeds \$500,000, with additional costs for post-transplant medication and care. The Ganucheau Family will need to raise \$75,000 for transplant-related expenses. They have asked the Children's Organ Transplant Association (COTA) for help. COTA is a national charity dedicated to organizing and guiding communities in raising funds for patients in need of a life-saving transplant.

All donations are fully tax deductible to the fullest extent of the law. 100% of all funds raised are used to cover transplant-related expenses.

Ways You Can Help

If you are an individual

- Make a tax-deductible donation to COTA in honor of Peter G at cotaforteampeterg.com
- Share Peter's story by [Facebook](#), Twitter or email.
- Join our campaign as a volunteer.
- Tell us your fundraising ideas!

If you are an organization

- Make a tax-deductible donation to COTA in honor of Peter G at COTaforteampeterg.com
- Donate goods or services toward a fundraising event.
- Share Peter's story on [Facebook](#), Twitter or email.
