This course represents all my learnings in the art of Microblading, from my own personal hands experience, extensive studies of the world's best Microblading artist, to my own discoveries during the countless hours I've spent Microblading tons of clients. I'm passionate about my profession Microblading and the love I have for this art form. I'm excited to share with you the acquired skills I have learned about Microblading. These skills will be life changing for your clients boosting their confidence and life changing for yourself boosting your income.

~Queen Kay~

The Microblading Training Course is a 2- or 3-day intensive designed course to introduce you to the world of microblading so that you may become a working microblading artist. This comprehensive class will teach you all aspects of microblading, from profiling clients to drawing eyebrows to consent forms. You will leave this class confident and eager to practice and master your craft. Our 2- or 3-day Microblading Training Course will enable you to acquire not only theoretical knowledge, but also practical skills by applying microblading on live models. Once you complete the course, the blood-borne Pathogens and pass your written and hands-on exam, you will receive a certificate that certifies you to perform microblading.

"I have enjoyed teaching students for over 5 years now. The 3 day classes are amazing. I love to meet with my students. I am a very interpersonal person and enjoy engaging with my students. I practice patience with all of my students. I was once a student I just provide the support that I know will be needed when starting."

Meet Your Instructor

Our course is taught by an Experienced Clinical Health Care Provider. Kay discovered the new highly trending method of Microblading (3D strokes or Microstroking) and Microshading. Eager to learn more about Microblading (3D strokes or Microstroking) and Microshading she began to research the most experienced and best cosmetic professional who provided training. Kay immediately began training all while incorporating her skills from her experience with direct patient care in healthcare ensuring not only beautiful eyebrows but a safe and healthy environment for each client. Kay saw the positive impact it had on the patients recovering from cancer. This method not only assisted in individuals with cancer but also individuals with alopecia, scars or just simply thin or unshapely eyebrows. With more than 15 years' experience in eyebrow shaping, Kay has had clients travel from various states because of her proven precision and results of beautiful eyebrows.
