This course represents all my learnings Lip Blush PMU treatment, from my own personal hands on experience, extensive studies of the world's best Lip Blush PMU practitioners , to my own discoveries during the countless hours doing this procedure .. I'm passionate about my profession and I'm excited to share with you the acquired skills I have learned about Lip Blush PMU treatment. . These skills will be life changing for your clients boosting their confidence and life changing for yourself boosting your income.

~Queen Kay ~

This training is intended for students that lack experience with the Lip Blush PMU treatment or for the experienced student that wants to learn this intensive method.

Interactively learn about the Lip Blush PMU, with step-by-step instructions on how to prepare to perform the semi permanent procedure by way of a Lip Blush PMU. You will be walked through this course with detailed clear and direct instructions, manuals and noted key-points regarding the setup, pen setup, theory and more.

"I have enjoyed teaching students for over 5 years now. The 3 day classes are amazing. I love to meet with my students. I am a very interpersonal person and enjoy engaging with my students. I practice patience with all of my students. I was once a student I just provide the support that I know will be needed when starting."

~Kay Francis~

What will you learn?

Lip blushing is a type of semi permanent cosmetic tattooing procedure achieved by depositing pigments in your lips using small needles. Lip blushing focuses on altering both color and shape to create younger-looking lips.
