This training is intended for students that lack experience with the **BB Glow** Technique for the experienced student that wants to learn this intensive and creative method.

Interactively learn about the BB Glow Technique, with step-by-step instructions on how to prepare to perform the BB Glow procedure by way of a mechanical pen. You will be walked through this course with detailed clear and direct instructions, manuals and noted key-points regarding the setup, pen set up, theory and more.

*"I have enjoyed teaching students for over 5 years now. The 3 day classes are amazing. I love to meet with my students . I am a very interpersonal person and enjoy engaging with my students. I practice patience with all of my students. I was once a student I just provide the support that I know will be needed when starting.

What will you learn?

What is it BB GLOW?

Semi-permanent BB cream is a layer of semi permanent makeup that is injected into your skin to give you a natural looking base that lasts for a long time. This procedure will alleviate dark spots and blemishes that will make the skin appear youthful and clear. With minimal procedural time required by you and instant results for clients, this semi-permanent makeup technique is the perfect addition to any beauty-based business. Francis Med Spa & PMU Academy is one of the few companies to offer advanced BB Glow training and certification in the USA. With an increasing popularity and high demand for BB Glow treatment, we are now offering In person/ Onsite Classes & Online Training for remotely located students. The course includes a Business Starter Kit with top-of-the-line products, and ongoing post-training support.

Live Model Practical

In our All inclusive classes We do offer Live Model Training. We REQUEST that all students bring their own models. The procedure is supervised by a licensed Instructor . If students are unable to bring their own model , for the live practical, a model can be provided for an additional cost of \$100. (* Rates may vary) If students REQUEST a model please allow 5 business days to arrange and schedule a model for ALL student practicals.

Clinical **supervision** is a formal process of professional support for students who are currently enrolled and will be obtaining their certification in Permanent makeup (PMU). **Hands on Experience** aims to help **students** to develop **in** both their professional competence and confidence thereby ensuring safety, proper sterilization and appropriate application when performing a PMU procedure.

Our practical exams or hands-on experience are designed to make sure that **students are** ready to perform the procedure properly . Students will perform the procedure that will and must be under the supervision of a PMU Instructor and licensed PMU technician .

Live Model Practical

What exactly do students do in practicals and simulation labs?

The answer , in short, is that they put into practice everything they've learned in class during a simulation lab which consists of practicing first on artificial skin and mannequins. After students have successfully passed the simulation lab they will then be prompted to work on a live person during the live practical.

How Does Financing Work?

In-House Financing is an option , however , students must complete the In - House Financing registration prior to attending class. With in-house financing this allows the student to immediately enroll in class without paying the full tuition upfront. Students are required to put down a small amount and finance the remaining balance. Students have up to 12 months to pay their remaining tuition balance.

(Contact the academy for additional details 404-475-2634)

If In-House Financing registration has not been completed within 3 business days prior to the class start date students will be required to pay remaining tuition IN FULL.

All students that have NOT completed In-House Financing that elect to do so on the start day of class will incur \$250. This \$250 administration fee must be paid at the time of class and MAY NOT be added to the financed balance. To avoid this fee it's important to complete In- House Finance registration 3 days prior to the class start dates. If students are unable to pay the \$250 administration fee, classes may be subjected to rescheduling. All DEPOSITS ARE 100% NON REFUNDABLE .

If a student desires to participate in financing options they should contact the school to begin registration. No credit check is required.
