

Looking For A Few Good Women!

With so many fun events planned for the summer, we are looking for some of you fantastic members to help us plan and organize them. We have various committees where you can jump in, learn about our processes and put YOUR ideas to work. Fresh blood on committees is ALWAYS a good thing. And as you already know, there are numerous benefits:

- Meeting new people and making more GOLF buddy connections
- Learning what is involved in pulling off these various events and activities
- Working first-hand under the guidance of a Board Member
- Earning valuable "Birdie Bucks" for your time to redeem later for a specific local event

Committees you might be interested in are:

- Chapter Communications and Social Media Management!
- Recruiting and Membership Care and Feeding!
- Event Planning and Activity Coordination!
- Golf Education and League Coordination!
- Marketing and Sponsorships to Help Subsidize Event Costs!

Please let us know how you would like to join in the fun. Your efforts will be greatly appreciated by the membership and I'm convinced you will enjoy every minute of your time. Guaranteed!!
