Columbus Championship Qualifier

(formerly Columbus Chapter Championship)

Don't miss the fun of playing in the first stage of the LPGA Amateur Championship Series!

Play in our Columbus Championship Qualifier on Saturday, June 8th!

Meet and Compete with Chapter Members at Delaware Golf Club!

The LPGA Amateur Golf Association offers two different competitive formats **for players of all skill levels:**

STROKE PLAY COMPETITION

Stroke play competitors play in one of five flights at the Local Championship Qualifier (LCQ) event based upon their USGA Handicap Index. **NOTE:** Members with a Handicap Index above a 40.4 are not eligible to compete in Stroke Play.

| Flight | Handicap Range |
|--------------|----------------|
| Championship | 0.0 to 10.0 |
| First | 10.1 to 17.0 |
| Second | 17.1 to 24.0 |
| Third | 24.1 to 32.0 |
| Fourth | 32.1 to 40.4 |

First place low gross and first place low net winners in each of the flights will qualify to advance to the next stage of the competition.

Additionally, recognition awards are given for the low gross and low net Senior players (55-69) and for the low gross and low net Super Senior players (70 and over).

CHAPTER TEAM SCRABBLE – *this is the very last opportunity for a Columbus Scramble Team Championship*

Chapter scramble teams consist of four (4) women and use the Ambrose Handicap Method to determine Team Handicaps - fifty percent of the average Course Handicap of the four players.

NOTE: Players with a Local Index exceeding 40.4 are permitted to play the Scramble format; however, their Course Handicap will be calculated 40.4 Index.

1st and 2nd place teams will advance to the next level of the competition.

You select the format that best fits your game, personality and skill level. Decide whether you want to play as an individual or part of a scramble team. If it's team play – find 3 other members and make a team.

If you don't have an established handicap, you need 5 18-hole rounds posted to establish a handicap. At least 2 must have been played in 2019.
