### **Carla Woodhouse: Candidate for President (one-year term)**

Carla has been serving as President-Elect for the past year.

Having spent the bulk of my career as an executive in the Corporate Educational/Human Resource Software industry, I currently own a small restaurant in Columbus with my daughters and live between Columbus and Naples, Florida where I belong to TPC Treviso Bay Resort and Golf Club. I am past president of the Treviso Bay Women's Golf Association and currently hold committee positions for our Golf Association as well as a board position for an annual charity event under the American Cancer Society - Making Strides Against Breast Cancer umbrella. Besides Golf, I play tennis, love to travel, enjoy family dinners, kayaking, biking, and the occasional music festival.

### **Marcy Bloom: Candidate for President Elect (one-year term) (one-year term to prepare to serve as President in 2022)**

After injury took me away from contact sports, I began golfing at the age of 28 when I was living in Wilmington, NC. When I moved to Columbus in 2011, I joined EWGA in the Safari league as a way to meet new people. In future years, I also golfed in the Raymond Memorial League and sub at Airport. After four years in EWGA, and a stint on the Board, I left to attend grad school at OSU for my Masters in Human Resource Management while also working full time – it didn't leave much room for golf. After graduation 2018 and leg surgery that left me learning how to walk, sit, stand, and golf again, I rejoined EWGA / LPGAA in 2019. I was in Airport league in 2020 and decided to challenge myself this year by joining the competitive league at Blacklick. I am a full time HR Professional, focusing on Projects, Programs, Policies and Documentation. In my free time, my husband (whom I met in 2013 while hosting

trivia) and I golf, are members of a Euchre league, and I he lets me feed him whatever I create in the kitchen (I love to cook).

### **Cheri Davis: Candidate for Marketing Director (two-year term)**

Mother of 3 beautiful daughters, married to a wonderful man for 41 years. We have owned a family business since 1985, All-State Brokerage Inc. We broker food and non-food items, mostly confectionery products. I was a stay-at-home mom until the youngest was a Junior in High School, then became the CFO for our company for 18 yrs. I'm sort of retired, but I keep my nose in the books. I am a certified Travel Agent as well as a certified Massage Therapist...no longer licensed in either. My passion is travel and I never miss an opportunity for an adventure. I snow ski, scuba dive, bike, hike, and of course golf. I spend as much time as I can with my wonderful grandchildren. My family is the most important thing in life.

### **Carolyn Robinson: Candidate for Communications Director (two-year term)**

Carolyn Robinson was employed in the telecommunication industry in electrical engineering for 35 years. She retired from Alcatel Lucent Technologies in 2015. She received a B.S. in Electrical Engineering Technology from the University of Alabama and M.B.A from Ohio University. Carolyn currently serves as secretary of the Fairway Fillies golf league at Groveport, and she was captain of our local CDGA Cup team this year. She has served as Trustee and Finance Committee member at her local church. She loves traveling with family/friends (especially with her grandchildren) and line dancing.

### **Brenda Strand: Candidate for Recruiting Director (two-year term)**

I started my career in retail managing 8 stores in the Philadelphia area. We moved back to Ohio and became restaurant owners. I spent the rest of my career working in training and development except for a short time when I worked in digital marketing. A few of my friends looked for a golf league for years and we never knew about the Amateur LPGA here in central Ohio. I'm thrilled to be a member of the Safari league. I love to bike, exercise, hike and of course golf. My husband and I became snowbirds this year, so I am learning to play pickleball.

### **Deb Joseph: Candidate for Membership Director**

My work career began as a critical care nurse. I then moved into the medical device arena where I was responsible for training and education. I am currently a holistic nurse helping people balance mind, body and spirit. I am a member of the Safari league which I love! My hobbies include golf, gardening and my sheepadoodle therapy dog, Merlin.
