

# THE HEIRSHIP PROJECT

## Do you live in a house your relatives left you?

Heir property comes about when necessary legal work isn't done after a property owner dies. Heirs who have a verbal agreement to live on the property but no legal title could face many obstacles, including selling the property, making repairs on the property, or qualifying for government aid to fix damages to the home.

## Need help getting proof of ownership?

The Heirship Project will be providing **FREE workshop** for interested individuals who need assistance obtaining a clear property title for heir property. Education will be provided by Wesley Eby Johnson with E & P Consulting, LLC and Escamilla & Poneck, LLP
