## Committee Portal Application for Members

### Find Committees on the NACo Portal:

1. Navigate to <https://member.naco.org/committees-home/>
2. Click 'Apply for a Committee' to start your application

3. To apply for a steering committee, enter your first, second and third choice committee in the **Steering Committees** section of the application

**Steering Committees**

These Access a seat at the table and add your voice and expertise on the most important policy issues counties, parishes and boroughs face. These committees help drive NACo's federal policy advocacy in Washington, D.C., ensuring that federal policies and legislation support local decision-making, prevent unfunded mandates and provide direct federal investments in county priorities. To learn more about each steering committee and the topics they cover, please click on the link at the top of the page.

These applications are routed to your state association for review.

NOTE: You can only serve on one steering committee per year. Since steering committee members are appointed through your state association, please indicate your first, second and third choices. No more than two individuals from the same county and eight individuals from the same state can serve on the same steering committee.

4. To apply for a standing committee, task force, advisory board or caucus, select any number of options in the **Standing Committees, Task Forces, Advisory Boards and Caucuses** section of the application

**Standing Committees, Task Forces, Advisory Boards and Caucuses**

NACo's standing and ad-hoc committees and advisory boards offer county officials the opportunity to work side-by-side with leaders across the country to foster innovative programs and services that build stronger counties, parishes and boroughs. County officials may participate in multiple ad-hoc committees during a year.

NOTE: Please check the box for all committees you would like to join.
