PIZZA		DETROIT SQUARE	
DETROIT-STYLE			
This is why Via 313 exists: to ENJOY the pizza we grew up with. It's called square but it's really rectangle, and baked in metal trays, just like the ones used on the automotive assembly lines at the Big Three. But instead of being filled with metal parts, ours are filled with the finest pizza ingredients we could source. We took inspiration from our old digs and created a version of the Sicilian pizza that has been making people smile in Detroit for over 70 years.

PIZZA		TRADITIONAL ROUND	
BAR-STYLE			
These thin-crust pies are crispy yet chewy with a cheesy edge, just like its cousin, the Detroit Style. They can be found from Wisconsin to Massachusetts in any number of beer joints, taverns, and tap rooms. To us, this pizza represents community and gathering, generations sit side by side or local sports teams share a pitcher of beer and a few pies. Bar-style represents another taste of our youth that we are proud to bring to your table.
