

P.A.D.S. PHILOSOPHY: P.A.D.S. sole purpose is to stress and develop the fundamentals of the goaltending position. We incorporate common “game situations” into our learning sessions, and help the student understand and feel more confident in his/her ability during a game. By building confidence, we build success.

EQUIPMENT NEEDED: All goalies must supply their own equipment. We stress that you always wear properly fitted, full legal equipment. A camp jersey will be supplied. All goalies must be able to dress themselves for the camp. Parental assistance is only permitted outside the locker rooms.

INSURANCE/MEDICAL/WAIVERS: Each participant must possess medical insurance. P.A.D.S. or anyone associated with P.A.D.S. School of Goaltending, LLC. will not be responsible for any medical or dental insurance, nor will any be offered. Any accidents or illness will be treated at a local hospital. A medical insurance, and P.A.D.S., waiver forms will have to be filled out before any goalie is allowed on the ice.

AGES & STRUCTURE: P.A.D.S. is accepting travel goalies from age 8 to adult. Goalies will be grouped by skill, not age. The Camp will have three sessions. The ice session will train all travel goalies ranging from (A, AA, AAA), including H/S, Junior and College Goalies. Enrollment is limited. Goalie placement will be at PADS's discretion. Housing is not provided, however P.A.D.S. will certainly be able to help with information if needed.

COST AND PAYMENT INFORMATION: The fee for the 3 day camp is \$375.00 in US funds. Checks and all major credit cards are accepted. The cost includes all on-ice sessions. Drop in fees are \$130/session.
